

CA Department of Fish and Game • Bay Delta Region (East)

# Job Openings

## In the Science Field

The Department of Fish and Game has several openings for **scientific aids** at the Stockton office. We are seeking motivated individuals to assist in fish surveys in and around the Sacramento-San Joaquin Delta and San Francisco Estuary. The position involves working from a boat collecting fish and zooplankton samples and analyzing these samples in a lab.

**Minimum qualifications:** Possession of a valid California Driver's License and either: (1) equivalent to completion of two years of college with a minimum of 10 semester hours in biological or chemical sciences (2) one year experience in surveying, studying, or evaluating fish or wildlife data population data, habitat evaluations, or working in a chemistry lab.

**Additional desirable qualifications:** College work in ichthyology, fisheries, water quality or zoology. Familiarity with fish collection and identification. Willingness to work irregular hours (including weekends). Ability to lift up to 40lbs and must work well with others.

Applications are available online at the State Personnel Board website: [www.spb.ca.gov/jobs/stateapp\\_adobe.htm](http://www.spb.ca.gov/jobs/stateapp_adobe.htm) or at any California State agency office.

**Pay:** \$11.20-12.46/ hour

**Final Filing Date:** Open until filled

**Duration:** Up to 9 months

**How to apply** - submit a completed California State application (STD. 678) and 3 work related references to:
